

Year 4 Class News

Happy New Year to you all!

We hope you had a lovely break with plenty of time to make memories with your families.

T

here is one thing that you can do to help your child across the board, in every subject at school, and with almost infinite benefits for high school and adult life.

The solution is READING.

As teachers, in all our training, we are told of the massive benefits regular reading and a love of language and stories can reap.

So, make it a new year's resolution to enjoy reading, in all its many forms. Use the lovely FREE Crewe Library.

Borrow books regularly from school to read at home.

Read comics, magazines, news articles, websites—ANYTHING! Have fun exploring!

Important upcoming dates: (so far!)

6th January - start of term

14th February—last day before half-term holiday

24th February—back to school

21st March—Comic Relief/Red Nose Day

31st March—Celebration assembly 9am—parents and carers welcome

2nd April—Autism Awareness Day

4th April—last day before Easter holidays

ATTENDANCE

Please ensure that your child is in school everyday. This is a very high priority for our school and we monitor this very closely.

Please see the website for more information.

As you are aware, all Year 4 children will participate in a statutory Multiplication tables check in June 2025. The computerised test will randomly select 25 questions on the times tables from 1–12.

It would be great if you could practice at home, especially any that your child does not know off-by-heart yet.

What will be learning this term?

English — *The Lost Happy Endings*

(twisted narrative/persuasive letter)

Manfish (invention narrative/biography)

Maths — Multiplication and Division/Length and Perimeter/Fractions/Decimals

History — How hard was it to invade and settle in Britain?

Geography —Where does our food come from?

Science — States of Matter (Chemistry)

Art — Painting and Mixed Media: Light and dark

DT — Textiles: fastenings

PE days

PE is now every TUESDAY AND WEDNESDAY. Children MUST wear the correct PE kit to school. Trainers will be best in case the ground is wet.

Don't forget to check our school website:
