

Ogwen Residential 2025

Dear Parent and Carers,

We have very exciting news for children in our current Year 4 and 5...

We are returning for a week's residential for November 2025 to Ogwen Cottage in North Wales.

An outdoor learning experience is so important for primary school children and will help them develop many transferrable skills back into the classroom and daily life. For example: confidence, emotional wellbeing, improved relationships, resilience, responsibility, understanding of the natural environment and most importantly enjoyment. Many of these are key for moving on to High School too.

What's included:

- Full day and evening plan, jam-packed full of activities - including: orienteering, a mountain walk, canoeing, Gorge Walking, rock climbing and abseiling
- One dedicated instructor per group
- Accommodation and bedding, in small rooms of 2-8 people
- Breakfast, lunch and dinner - all dietary requirements are catered for - they will not go hungry!
- All equipment and kit - they will just need warm clothes.

The residential is booked 17th - 21st November 2025 and has been heavily subsidised by the Outward Bound Trust and school. The original cost was £596.75. However we are very pleased to say with the contributions received, this fantastic will holiday cost: £288.05 and can be paid in full or installments.

To secure a place for your child we ask a **non-returnable deposit is made of £48.00 by Friday 27th February** or you can pay in full if you wish. This can be done on School Gateway.

Please see attached the recommended payment schedule.

This really will be an exciting opportunity and one where many memories are made. I still have very happy memories of mine and an increased love for the outdoors! We had an amazing time in November 2024 - check out the website for our photos.

If you would like your child to attend, please complete the form attached.

Best Wishes,

Kirsty Goldsmith
Headteacher

I would like my child _____ to attend the residential to Ogwen Cottage.

Minimum £48 deposit

Payment in full

All payments can be paid on School Gateway.

Signed _____
