Here are some of the people you will meet.....

Hello Everyone,
I am Miss Goldsmith the Headteacher of Edleston. I am very proud to hold this position and love coming to school every day. I came here in January having moved from a very big school in Lancashire. I live on a Farm near Arley Hall, have a spaniel called Bracken, own sheep and am learning to drive a tractor! Starting school is an exciting time and I am pleased to know you will be joining us in September.
You will quickly learn, just as I did what a happy, friendly and caring place Edleston is to be. We have lots of fun and work hard in everything we do.

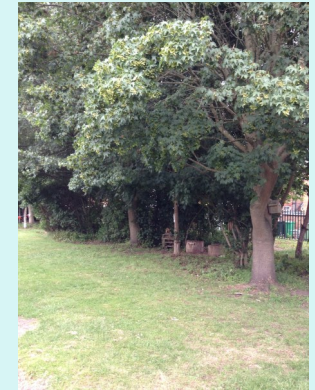

Hi Everyone,
I am Miss Procter and I have been lucky enough to work in our amazing school for 25 years now and I have been Deputy Head for the last 16 years. Having 2 young children myself, I remember how big a step it feels when your child starts school - especially with your first child. I want to reassure you, that in addition to your child's education, your child's happiness and safety are at the core of every decision we make. We pride ourselves on our warm, caring and nurturing ethos. We are excited to welcome your child into our school in September—I am sure they will all settle in their new norm quickly.

Hi everyone,
My name is Mrs Tomkinson and I have been at Edleston for over 30 years! I was also a pupil at the old Edleston site. I have a grown up son and a wonderful grandson called Blake. I have a mad cat called Milo. I like to dress up in silly hats. Being in Reception is a lot of fun and we learn lots and lots. I love my job and encourage all children to develop a love of learning. We are an amazing happy team here at Edleston.

We love to learn outside...

Take a look at our classroom and our learning areas..

Hi Everyone,
My name is Mrs Thomasson and I have been at Edleston for 12 years. I am married to Gary and have two daughters. I have 2 dogs called Frank and Colin. I have a caravan and love the countryside. I enjoy working with Mrs T as we are all one big happy family.
