Dear Reception Parents,

I hope you are all keeping safe and well. As promised, here are some further details regarding your child returning to school on Monday June 15th.

- The children will be in 2 class groups. There will be no more than 15 children in each group. One class group will be with Mrs Tomkinson and Miss Griffin, and the other with Mrs Thomasson and Miss Palin. Mrs Edge will also be in one of the groups.
- Children will remain in this small class group until the end of term and will not be able to switch or play with children in the other group. This will help to keep them safe.
- Children should not wear uniform, and you need to wash their clothes every day at the end of school.
- Children may bring their water bottle to school each day, and this needs to be taken home each night and washed thoroughly.
- Children must NOT bring anything else into school, ie no books or book bags.
- The children will be given a free school lunch, however if you wish to send your child with their own lunch this needs to be in a disposable carrier bag so that it can all be thrown away after lunch [ie no lunch boxes].
- Children need to come to school at 9.00 and be picked up at 2.00. It is important that you keep to these times and do not arrive earlier or later.
- You will need to wait outside the gate, 2 metres apart at drop off and pick up times.
- School will close for deep cleaning on a Friday afternoon so children will need to be picked up on a Friday at 11.45.
- When you bring your child to school, please make sure only one parent comes and that you do not bring siblings.
- It is vital that we have an up to date contact number as if any child shows any coronavirus symptoms then we will call you to take your child home immediately and then get them tested.
- Parents are asked not to enter the school building and telephone appointments can be made if you wish to speak to the teacher or you can make an appointment to come into the office.
- Mrs Tomkinson will be posting some videos later in the week to show you what will happen, so that you can show your children what school will look like!
- Could all parents please email me [even if you have already said yes] to tell me a "yes" or a "no" as to whether your child will be coming to school on June 15th. Please tell me your child's name when you email to head@edleston.cheshire.sch.uk
- Please let me know on or before Monday June 8th, so that we can make further plans.

There is a lot of information on this letter, and there will be more to follow! Apologies for that!

I look forward to hearing from you all,

Take lots of care

Mrs Bagni
