Getting bullied online

Many 8-10s report being bullied by people they know and don't know online. **76% of parents worry about this happening to their child.**

Source: Internet Matters tracker survey

Talk to your child about the tools they can use on platforms like blocking and reporting, and encourage them to tell you if it happens.

Practical tips to keep 8-10s safe online

Set parental controls on popular apps

1. Set up YouTube Kids for under-13s
2. Use timers to manage screen time
3. Turn off watch history to limit suggested videos

Get personalised advice straight to your inbox

Want support to stay on top of your kids' digital lives? Together, we've got this, with our free personalised family digital toolkit. By completing the form you'll get:

- Age-specific checklists and guides
- Safety information on the latest apps and platforms
- Resources to tackle online concerns by age
- Interactive tools to encourage discussions on key topics

Scan the QR code or go to internetmatters.org/toolkit

Make online safety a part of their everyday

Conversations to have

Talk about:

- What they're watching; what do they like about it?
- What apps/games they like; what would they like to try?
- How being online makes them feel; what signs tell them they need a break?
