'Where every day is an opportunity to shine'

7th January 2026

200

Dear Y5 and Y6 families,

We have arranged for Y5 and Y6 to go to Crewe Railway Station to visit the 'Inspiration Train' which is making a very special visit to the area. They will be taking part in interactive activities and learning about the Railway and its 200-year history.

This is a free visit. Children will be walking from school to the station and back. Please ensure appropriate out clothing including footwear is worn. The session is 10am -11am, lunch will be unaffected.

If the weather proves to bad to walk in this visit, such as snow and ice it will be cancelled.

Y5 will be visiting on Thursday 15th January.

Y6 will be visiting on Friday 16th January.

As we hold consent of file for Local trips and visits, we do not require additional consent for this local walk.

If your child has an appointment or there is anything we need to know please speak to child's class teacher prior to this event. Any provided medication will be taken.

Yours sincerely,

Miss K Goldsmith
Headteacher.
