

Invitation for \_\_\_\_\_ Year \_\_\_\_\_

Dear Parents and Carers,

We are excited to tell you about the new opportunity we have for your child!

As you may have seen on the news, the government has given school extra money to offer targeted tuition to our pupils. These will be carried out by fully-trained, experienced teachers through a company called Connex - working for the Department for Education [DfE]. We have met with the tutors and know they will offer our pupils quality, additional extra support. The lessons will help your child to become more confident and fluent in key English and maths skills, helping them to meet their full potential.

The DfE have asked for data from this initiative to be shared with them. All the details about how this data will collected, used, shared and protected can be found on our school website. The DfE and Connex have robust systems in place to make sure that they comply with the requirements of GDPR. Please write a note

Your child has been chosen to take part in this first round of tuition. The lessons will be for 2x1hr each week in a small group, running from WB April 19<sup>th</sup> to June 16<sup>th</sup> and will take place on:
